PLAIN CITY LINE IS DELEGATES TO OGDEN TO BE ELECTRIFIED AND EXTENDED CONVENTION NAMED BY BOXELDER

The Plain City branch of the Ogden, Logan & Idaho railway is to be electrified in the immediate future. Men are already at work upon the proposed improvement and have been so engaged for over a week past. It is said that the task will be completed in about thirty days, when, according to rumors, a two-hour car service will be given to the people living along the branch.

It is also rumored that the line will be extended about a half mile west of Plain City into the sugar beet fields of Warren.

BRIGHAM CITY TO HAVE MODERN PARK

Brigham City, August 1.—Brigham City is to have a modern park if the plans of the committees in charge do not miscarry. The matter of improving the city park has been under consideration by city officials and many leading citizens for a number of years, and after much hard work the committee has been authorized to go ahead with the contemplated improvements, which, when made, will make of the city park a modern place of recreation for the citizens and for the holding of the various celebrations each year.

The committee has already gathered a large fund through constant canvassing among the people, and this fund will now be turned over to the city recorder who has been designated as trustee. Those who have the affair in hand will proceed at once to lay plans for the work and will then designate "park day," a day that will be set aside by the city as a holiday and everyone will be asked to get out and put in a day's work in the park. This will take place in the immediate future, as it is planned to launch the work in such a public way.

ARRANGING FOR A BIG PEACH DAY

Brigham City, Aug. 1.—Peach Day Committee N. C. Simonsen and W. V. Call met with the city council at its last session and asked for the usual concessions necessary for conducting the celebration, which this year will be held on September 13, sprinkling, sanitation, lighting, police and decorating. The council referred the matter to the various council committees for the reason that the demands of the Peach Day people are in excess of former concessions granted by the city.

Everything is moving along nicely for the most successful Peach Day in Brigham's history.

MESSAGES TO BOYS AT THE BORDER

W. J. Dermody, local manager of the Western Union, has sent the following letter to relatives of soldiers now on the border:
"Dear Madam:
"The Western Union Telegraph company announces that until further notice it will make telegraphic transfers of money to members of the National Guard who have been mustered into the federal service at the Mexican border at one-half the usual charge of such service. It is understood that in their hurried departure many of the guardsmen failed to reckon on the high cost at the border of some of the conveniences and comforts which are not included in the provision which Uncle Sam makes for his soldiers, and their relatives and friends doubtless will be interested to learn of this arrangement whereby much appreciated funds can be quickly transferred by telegraph at a low cost."

DEMOCRATS TO STAY WITHIN THEIR PARTY LINES

Tonight, the Democrats of Weber county will meet in their several districts and select delegates to the county convention, which will be held next Saturday in the county courthouse for the purpose of electing delegates to the state convention, the first congressional district convention and the second judicial district convention. Following the performance of this duty, the county convention, according to Chairman S. S. Smith of the county central committee, will be adjourned to date following the other three mentioned conventions, at which time the nominations for county officers will be made.

Chairman Smith urges all Democrats to attend the primaries tonight and extends an invitation to Republicans and Progressives who have come to believe in Democratic principles to also attend. In speaking last night current reports that the only way to get prohibition in Utah at the coming session of the legislature was to get the members of all parties to attend the Republican primaries, Mr. Smith said:

"I have not heard of any such talk, and I would surely consider that any Democrat who entered a Republican primary to take part therein would stultify himself thereby. Not that there are not just as good Republicans as there are Democrats, but a political party stands for certain ideals, and among those ideals of the Democratic party in the state of Utah are state-wide prohibition, a public utilities commission, a corrupt practice act, and the initiative and referendum, and without enumerating what the Republican party stands for, it is surely does not stand for any of the above, as it has killed bills on each of those subjects at every session of the legislature for the past eight years. Hence any Democrat, holding to the Democratic ideals, would not only abandon his political ideals, but he should be considered to come back to the Democratic party, would have rendered his influence in the party of little value."

Time of Primaries.

The primaries will be called to order at 8 o'clock and the meeting places in the city are as follows:

First ward, City Hall; Second ward, Third ward amusement hall; third ward, Mount Fort amusement hall; fourth ward, Judge Harris' court room, Court House; Fifth ward, Fifth ward amusement hall.

The other thirty-six delegates will be chosen from the county precincts and will be apportioned as follows: Weber county outside of Ogden City—Burch Creek, 1; Eden, 1; Farr West, 1; Harrisville, 2; Hooper, No. 1; Hooper, No. 2; Huntsville, 4; Kanesville, 1; Liberty, 1; Marriott, 1; North Ogden, 4; Plain City, 3; Pleasant View, 2; Slaterville, 1; Uinath, 1; Warren, 1; West Warren, 1; West Weber, No. 1, 1; West Weber, No. 2, 1; Ision, 2.

UTAH STOCKS

Summary of the Local Market.

August 1, 1916.—Trading in mining stocks was more active this morning with heavier sales in the issues representing the Alta-Cottonwood district. Howell Mining, Michigan-Utah, Reeds Peak and South Hecla Extension were the most active speculative issues and Prince Con., Silver King Con., and South Hecla represented the majority of the trading among the dividend payers. Prices showed little or no change with the exception of Solis which advanced to 20 cents and West Toledo sold off to 7 cents. Quotations furnished over the private wire of J. A. Hogle & Co., Brokers, 2438 Washington.
